

LG KS360

LG Mobile announces the launch of the LG KS360, its vibrantly coloured, feature-packed mobile phone specifically designed for messaging on the move. The LG KS360's sliding QWERTY keypad and high-spec messaging features mean that users can send SMS, IM, email and have the ability to access social networking sites all from one device. In addition, the LG KS360 cell phone comes with touchscreen dialling, a 2MP camera and MicroSD card slot. The LG KS-360 cell phone is available in Titanium and bright blue, White and soft pink, Black and red and Black and silver.
