

Nokia 2690

- Use the MMC expansion slot to add memory to your phone so you can take your favourite music and photos with you when you're on the move.
- Keep yourself informed and entertained with the built-in FM radio.
- Use the built-in VGA camera to take photos and then share them with friends using Bluetooth and MMS. Record videos of special moments that you'd like to share and enjoy later.
- Keep up with the latest agricultural news - including weather reports for the day ahead - with Nokia Life Tools Agriculture services.
