

Nokia 2730 Classic

- 3G makes internet access faster, so networked applications like web browsing and email are more responsive and convenient.
- The build-in music player and FM radio keep you entertained. With up to 2 GB of memory, you can carry your favourite music with you.
- Capture and relive your memories with the 2 megapixel camera and 2" QVGA display.
- Fast internet access lets you make the most of preloaded Ovi applications. Share, Mail, and Contacts help you keep in touch when you're on-the-go.
